Scope and Certificate Conditions

Registered address: No. 186 Ganghang Avenue, Meixi Industrial Park, Anji County, Huzhou, Zhejiang, China.

The certificate states that at least one surveillance audit is required each year and that the certificate is used with the surveillance notice.

Scope of This Document

The printed scope is sales, not a stated manufacturing scope or product-performance certification. The downloadable document is an AILV-watermarked viewing copy; the untouched source certificate is retained separately.

Read the complete Chinese document for the original tables, drawings, seals and stated conditions.
